

UNDERTAKING

- | | |
|----|---|
| 1. | I/We undertake that fool Proof arrangements shall be made to avoid mixing of PSPCL supply with that to be generated by the DG/TG Set(s) and in case of any violation like intermixing of supply, load surcharge at double the normal rates shall be applicable and in addition, initial security and service connection charges for regularization of additional load shall also be recoverable by PSPCL. |
| 2. | I/We undertake that Islanded load will be run on standalone basis without any change over switch in isolation of PSPCL supply. |
| 3. | I/We undertake that the all relevant provisions of the IE Rules, 1956 or Regulations notified by CEA under Section 53 of the Act shall be complied with in respect of the installation and test report shall be furnished. |
| 4. | I/We undertake that a proper meter with data download facility shall be provided irrespective of sanction load to measure the energy generated from the DG/TG set and the data shall be supplied to PSPCL as and when asked for monitoring/energy audit. |
